Description of Program	Athletes who have not played organized Vball (Beginner) or younger ages who are still in developmental skill stages. Designed to teach all volleyball skills via frequent awards and teaching high level skills in a fun atmosphere.		A low cost option for players who prefer to have high level of training and some match play, without the travel tournament commitment.	For a step up in training for this age group and limited travel tournaments.	Our most popular option. Gives you our great training and participate in up to 75 matches! Teams of 8-10 with dedicated coaches.	This is by invitation only, notified after tryouts. Players need to qualify and agree to a high level commitment of practice, play, and tournament travel.	Also by invitation only after tryouts. It is our top team(s) in each age division from 13-18. Our highest level of commitment is required here.
